To

Date: 14.10.2015

All heads of units, NCNGN Circle

MESSAGE

As per CVC Circular No.11/08/15 dated 31.08.15 , NCNGN Circle is observing The "The vigilance Awareness Week 2015" from 26.10.2015 to 31.10.2015 in the NCNGN Circle to dedicate ourselves to the cause of fighting corruption. NCNGN Circle was created by the Management committee of BSNL Board in its 168th meeting held on 26.06.2013. I joined NCNGN Circle on 19th May 2014 and I got an opportunity to work with officers/officials who or either new or joined from the different field units of BSNL. But I have never noticed any officer or official is indulged any illegal or unlawful activities.

When I joined the office the NGN Project was in the phase of roll out in PAN India Basis. And with efficient and dedicated team work of the staff at circle office and NGN units, the NGN Core switches at 8 locations got commissioned and installed in a very smooth and timely manner. Also the within a short span of time the complete migration of Phase-I capacity in PAN India i.e. 1 million subscribers base and 569 LMGs are almost completed. Definitely, it is a matter of proud for me.

For this year, the commission has chosen "Preventive vigilance as a tool of good Governance" for observing Vigilance Awareness Week an apt topic for 2015.

Actually vigilance is not investigation but it is prevention. One of the primary responsibility of an employee in any organization is awareness of departmental Rules and Regulations. As information technology brings efficiency and economy as well as transparency to curb corruption. We should integrate information technology with preventive vigilance in our day to day working.

I would like to advise our officers and officials to follow the principles of vigilance viz transparency, fairness and accountability and encourage everyone to help vigilance setup to achieve our goal efficiently and effectively.

With best Wishes,

Copy to CVO, BSNL

(ANIL Kumar JAIN)
